

Seminar Program

Enhancing urban resilience through sustainability science research

October 10-12, 2017

Venue: Faculty of Economics and Sociology, University of Lodz

DAY 0: October 10th - Workshop for young scientists

- 11:00-11:30** Introduction of workshop and warm-up activity
- 11:30-13:00** Presentation on academic writing (Dr. Alexandros Gasparatos, University of Tokyo)
- 13:00-14:00** Lunch break
- 14:00-17:00** Hands-on workshop (3 groups, 5 persons each)
(Moderated and led by Dr. Alexandros Gasparatos, University of Tokyo)

The purpose of this training workshop is to show how to write different types of academic papers. In particular the different paper types that will be discussed are Original Research, Literature Review and Commentary. Additionally information will be given about the peer-review cycle and how to respond to reviewer comments. This will be followed by a hands-on exercise where workshop participants will work in groups to develop and present Zero Order Drafts of different types of papers.

Participation is free of charge.

Please register by sending an email to Ahmed Abubakari <abukson1987@gmail.com>.

Registration closes on 30 September, the number of participants is strictly limited.
